

An illustration of a woman with dark skin and long black hair, wearing a blue headscarf, sitting in a brown hammock. She is holding a young child with dark skin and a bright orange headscarf. They are both smiling and appear to be sleeping or resting peacefully. The hammock is suspended by dark ropes. In the background, there is a wooden structure with several rectangular windows, suggesting a traditional house. The floor is a light yellow color, and there is a large, dark green oval shape on the floor, possibly a shadow or a mat. The overall style is simple and colorful.
